### EDDIE AND NEVA KENTNER

Following the advice of Neva Kentner's sister, Fern Sayre, the Kentners bought the old Schutte home in 1914. The Schutte's had moved to National City in 1906 and their home had served as a boarding house and roadside restaurant before the Kentners took over.

### TWIN INNS

Large plaster chickens told passers by that 'world famous' fried chicken was the specialty of the house.
