## RAMSAY HOUSE

Edith Shaw Ramsay's mother built this spacious bungalow overlooking Buena Vista lagoon and the ocean in 1904.

## BETTY RAMSAY

The daughter of Frederick and Edith Ramsay, Betty Ramsay lived out her life in the family home on what is now Chuparosa Lane. She gardened extensively and provided all the flowers and Christmas garlands to decorate St. Michael's Church.

## ST. MICHAEL'S CHURCH

The Ramsay's were good friends of the Shipley's, with whom they shared a deep involvement with St. Michael's Church. Edith Ramsay's brother, Anthony Shaw, built it.

## RAMSAY BUILDING

In the early 20's Frederick Ramsay built a commercial block on the east side of State Street. He also kept the first rainfall records for the community.
